

# Quality is Key

## How do you measure quality in your component supply chain?

**The Fasco “Total Quality Supplier” philosophy provides value to our customers with ultra low PPMs, reliability, and peace of mind.**

- ◆ PPAP – Done right the first time!
- ◆ Material Certs – Whenever you need them...always on file.
- ◆ PQA - Product Qualification for Automation
- ◆ Lot Control - From around the world to your assembly line.
- ◆ Certified Supply Chain - ISO, QS, TS partners.
