

“Nuts to You!”

Are you going “NUTS” trying to find the right source for nuts, binder posts, bushings or other internally threaded parts?

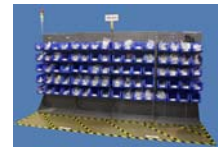

- ◆ Hex
- ◆ Square
- ◆ Weld
- ◆ Wing
- ◆ Clinch
- ◆ Lock
- ◆ Keys
- ◆ Flange

Fasco can supply the right nut for your application!

- Standards or made to print “specials”
- Cold formed, machined, stamped, die cast
- Plain or plated (many finishes available)
- Steel, stainless steel, plastic, brass, exotic
- Domestic and International ISO/QS manufacturers

Does it look like a nut, but not a nut? Have no threads? We can supply these too...as well as other hollow or tubular parts like bushings or sleeves.

Global Sourcing → Logistics Management → Quality Assurance → Value-Added Operations → Managed Inventory

The Fasco focus is never-ending, total customer satisfaction.
